AI ???????? CPG ?????????

Centific ??

A photograph of two young children in a grassy field, both wearing white bunny ears. The child on the left is standing, wearing a grey jacket and dark pants, looking away from the camera. The child on the right is crouching, wearing a red jacket and blue jeans, looking down at the grass. The scene is backlit by bright sunlight, creating a warm, golden glow and long shadows. The background is filled with trees and foliage, also bathed in the warm light.
